

# Quality Assurance/Tester

TeleTrader d.o.o. is a software company specialized in stock market data and financial analysis, offering a broad portfolio of tools for the processing, visualization and analysis of stock market data.

TeleTrader is a global company, active on the international market and headquartered in Vienna, Austria. It is part of baha Group, which develops its software in Belgrade, while selling its products globally across Europe, North America, and Asia.

TeleTrader is announcing the following vacancy within its **QA department**:

## Quality Assurance/Tester

### About QA Team:

QA team is engaged in manual testing of applications being developed at TeleTrader. Team members work closely with the developers in order to produce and deliver reliable applications.

### Main Tasks:

- Evaluating and testing new or modified software solutions within the TeleTrader product portfolio
- Performing functional, regression, and acceptance tests of a release before moving new versions into production
- Identifying, reporting, tracking, and verifying issues in the issue tracking software used by the development team
- Investigating problems reported by internal and external users, recommending solutions, and working with the developers to fix the issue
- Supporting developers with product advancement throughout the release cycle

### Requirements:

- Educated and experienced in one of the following areas: Economics, Business and Finance
- Solid understanding of the financial markets (participants, processes, technologies, financial instruments)
- Fluent written and spoken English (proficiency in German will be considered an additional asset)
- Very strong computer skills and the ability to quickly learn to operate an unfamiliar software or technology
- Good understanding of quality assurance as a part of the software development process
- Attention to detail and good analytical skills
- Ability to effectively communicate and cooperate with peers
- Candidates with Portfolio Manager, Investment Advisor, or CFA license will be given advantage

### What we offer:

- Work in an established company with market leadership
- Be part of an experienced and dynamic team
- The advantage of learning the cutting edge technologies
- Internal education
- Modern work environment in a central location in Belgrade
- Performance-oriented payment
- Professional physiotherapist (massage and exercises)
- Additional health insurance
- Fruit and hot beverages for employees
- Team-building and sports activities
- Full-time employment
