

Are you our next Sales Intern?

We are searching for a final year undergraduate or graduate student who is analytical, likes figures and loves teamwork. Being familiar with Excel is desirable. Outlook & Microsoft Teams is a plus.

Supporting role within our Sales (Key Account) team

Our Key Account team is welcoming newcomer who will be supporting our team with various sales analysis and updating and maintaining our KA database.

What will you be doing?

- Shadowing your team colleagues in day-to-day business
- Updating our KA clients' database
- Keeping updated database of aligned assortments and positions of JTI's products and validate inputs from other departments (e.g. marketing)
- Following and making reports on sales, stock levels, contract compliance and JTI's performance in client's outlets
- Communicate daily with internal stakeholders and clients
